

Reception Newsletter

Dear Reception Parents,

Wow, we cannot believe we are already at the end of the year! This year has flown by, and we are so proud of just how much the children have achieved this year.

This will be our last Reception Newsletter of this year, so we wanted to take this opportunity to thank you for all your support and wish you happy and healthy summer.

Please see below some final reminders and notices:

Reading Folders

We have begun collecting in the children's reading books and reading diaries. The reading diaries will be passed up to the next class teacher and the tricky word folders are for you to keep at home. Please continue to practise the tricky words over the summer.

Tapestry

Unfortunately, over the last few weeks there have been some technical difficulties with Tapestry, which has been out of our control. We have been in contact with Tapestry and they have assured us that it should be up and running this week. As we are nearing the end of the school year, once the Tapestry website is working, we will need to deactivate the children's accounts. This is to allow you to download an electronic copy of their learning journey before we begin preparing for our new cohort of children.

Once Tapestry is working, if you wish to keep an electronic copy of your child's Tapestry learning journey, **you will need to log on to Tapestry (using your usual account) and download the file by Friday 23rd August. After this date, the file will not be available to download by you or us in school.** Please be reminded, at the beginning of the year, you signed a declaration to state Tapestry photos must not be shared onto social media.

Important Dates

Autumn Term 2024

Start of Term - Wednesday 4th September

Have a lovely Summer! 😊
