As the temperature is starting to drop, please be reminded to send your child into school wearing a named coat.

Next week, we will be learning...

LITERACY

In Phonics, we will be learning the sounds:

- 'b' as in bat
- 'f' as in frog.

Please do spend some time looking at these in your Phonics practise book.

The pronunciation of these sounds can be found by clicking here: [CLICK HERE](#)

MATHS

In Maths, the children will:

- Engage with activities that draw attention to the purpose of counting – to find out 'how many' objects there are. For example, Would you please collect 6 crayons and bring them to me?
- Explore and understand that the last number in the count tells us 'how many' things there are altogether – and begin to apply this concept to count more abstract things, such as claps and jumps.
